

ApplicationModule

```
graph BT; NetworkModule --> ApplicationModule
```

A diagram illustrating a dependency between two modules. At the top is a white rectangular box with a thin gray border containing the text "ApplicationModule". Below it is a gray rectangular box with a thick black border containing the text "NetworkModule". A vertical blue arrow points from the top of the "NetworkModule" box to the bottom of the "ApplicationModule" box, indicating that the ApplicationModule depends on the NetworkModule.

NetworkModule
